## ORDER FORM GUIDE

### ORDER FORM INSTRUCTIONS

#### 1. Window ID

Dometic number blinds using the following method to ID and name the windows (see below, Marine / RV / Commercial).

#### 2. Location Number

The numbering system shown above, starting from bottom left / main door, can also be applied if clearer.

#### 3. Retail Size

Enter the Retail Size code from the table on page 3 if you require a standard size blind.

#### 4. Dimensions

If Retail Size is not required please enter Width (X) & Drop (Y) of aperture.

#### 5. Fabric

Standard fabric is Uno, for other fabrics see fabric collection and enter code. Please select any SKYSOL 20 / 25mm fabric except "Harmony" from the online fabric collection. Two cords are visible on the Skysol Motion, and more cords will be required depending on size or fabric selected, please enquire with Dometic for further details.

#### 6. Hardware Colour

Choose either White, Beige, or Graphite hardware colour

#### 7. Fixings

Top Fix:

Will be fixed to the top of the aperture and non-adjustable.

Face Fix, Fixed:

Will be fixed to the front of the aperture and non-adjustable.

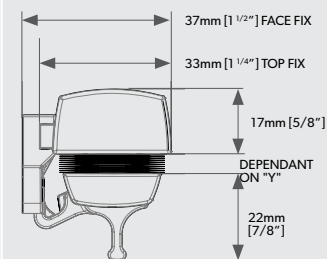

Face Fix, Adjustable:

Will be fixed to the front of the aperture and can be adjusted side to side as required.

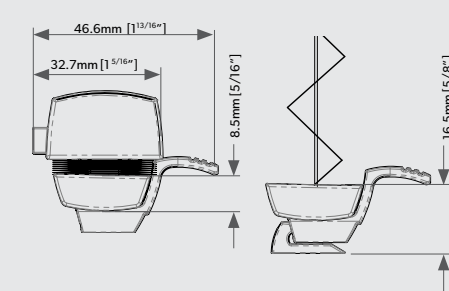

#### 8. Handle Fixings

Face Fix Handle:

Bottom Fix Handle:

#### 10. Quantity

Enter the Quantity Required if you need a number of identical blinds. If you need different options use a new line.
